GENERAL PROVISIONS RELATING TO USE AND  
OCCUPANCY OF THE PROPERTY

1. Each lot or tract in this subdivision shall be used for single family residential purposes, only. No commercial activities of any type shall be operated from or out of any lot within the property or any improvements located thereon, save and except that a homeowner or resident may be allowed to maintain a home office, so long as prior written approval for such use is obtained from the A.C.C., such approval to be determined by whether, in the sole discretion of the A.C.C., the proposed home

- office use would constitute a nuisance or would interfere unreasonably with the use and/or occupancy of other Lots within the Property owned by other Owners. Such written approval, if obtained, will be subject to revocation at any time by the A.C.C. should it determine, in its sole discretion, that the previously approved home office use does constitute a nuisance or unreasonable interference with use and/or occupancy of other lots owned by other Owners. Moreover, no owner shall use or permit such Owner's Lot or any improvements located thereon to be used for any purpose which would (i) constitute a public or private nuisance, as determined by the Architectural Control Committee in its sole discretion; (ii) constitute a violation of any applicable law, ordinance, rule or regulation; or (iii) interfere unreasonably with the use and occupancy of other Lots within the Property owned by other Owners.
2. Each owner shall maintain such owner's lot or lots in good order and repair at all times, including any and all improvements located thereon. If any Owner shall fail to so maintain his/her lot and improvements, the Association shall have the right, but not the obligation, to perform such work as is necessary to put such lot into good order and repair, and the cost thereof shall be deemed a debt of such Owner to the Association, payable on demand, and payment thereof shall be secured in the same manner as Assessments, as set out in Article IV, Section 4, below.
  3. No lot within the Property shall be further divided or subdivided, nor may any easement or other interest less than the entirety of such lot be conveyed by the owner thereof without the prior written approval of the Board; provided, however, that nothing in the section shall pertain to lots within the property owned by Declarant. Nothing herein shall be deemed to require the approval of the Board for the transfer or of any lot in its entirety, including improvements thereon, or for the grant of any mortgage on any lot.
  4. No rubbish or debris of any kind, including weeds, brush or material of any other nature deemed to be rubbish or debris by the Architectural Control Committee, shall be placed or permitted to remain upon any lot within the Property so as to render any such lot or portion thereof unsanitary, unsightly, offensive or detrimental to any other lot within the Property or to the Owners of any other lot(s) within the Property. The A.C.C. shall determine what constitutes rubbish and debris and what conditions render any portion of the Property unsanitary, unsightly, offensive or detrimental, and the decision of the Architectural Control Committee as to such matters shall be final and binding on all parties. Refuse, garbage and trash shall be kept at all times in a covered container and any such container shall be kept within an enclosed structure or appropriately screened from view.
  5. Mobile homes, manufactured homes and modular homes are expressly prohibited from this subdivision. No tent, shack or other temporary building, improvement or structure shall be placed upon any lot within the property, nor shall any travel trailers or recreational vehicles be parked or placed upon any portion of the property so as to be visible from adjoining lots or from public or private thoroughfares for a period in excess of forty-eight (48) hours; provided however that nothing herein contained shall prohibit temporary buildings from being located on a lot during and in

- connection with the construction of improvements on a lot, provided that the A.C.C.'s prior written approval has been obtained, nor shall this paragraph be deemed to prohibit Declarant from placing a temporary building on a lot in connection with the sale of lots.
6. All dwellings shall be of recognized standard construction, with a minimum of 50% masonry, or other materials approved by the A.C.C. The main dwelling erected on any lot, shall cover not less than 2000 sq. ft. of floor space, exclusive of garage, decks and porches. Ornamental structures, fences and walls are permitted, subject to prior written approval of the developer, or in the alternative, by the A.C.C. Roofing material shall be tile, non-glare metal, or high quality composition material with a 25 year life or better. All house plans must be approved in advance of construction by the developer or the A.C.C. Once construction has begun on a home, it must be completed within 12 months from the date of beginning. All driveways must begin with a 10 foot concrete apron, beginning at the private drive or public roadway; thereafter asphalt or other material approved by the A.C.C. Owners are required to fence all pets. Any solar equipment installed shall be an integral part of the architectural design of the home.
  7. No structure shall, unless first approved by the A.C.C. or developer, be located or erected on any lot nearer to the front lot line than fifty (50) feet; nearer to any side lot line than fifty (50) feet, except that the total combined set-back from both sides shall in no event be less than one-hundred (100) feet; or nearer to the rear lot line than fifty (50) feet. No fence, wall or hedge more than four (4) feet in height shall be maintained forward of the most forward point of the main dwelling, excluding carports and chimneys, without prior approval of the A.C.C. No outside antenna, satellite dish, outside tower or aerial of any type shall be erected or maintained on any portion of any lot unless the prior written approval of placement, size, height, color and screening is obtained from the A.C.C.
  8. All notices relating hereto shall be deemed to have been properly sent to any owner or occupant of a lot when mailed, postage pre-paid, certified U.S. mail, return receipt requested, to the street address of the owner's or occupant's lot.
  9. No hogs, poultry or commercial animal operations shall be permitted on any lot except for a reasonable number of generally recognized domestic house or yard pets, including horses, and then solely for domestic and not commercial purposes. The A.C.C. shall have the right, in its sole discretion, to determine what is a reasonable number of pets, and what is generally recognized to be a domestic, yard or house pet.
  10. Each of the following pairs of Lots fronting on FM 1626 will, respectively, share joint driveway access; 1 & 2, 3 & 4, 5 & 6, 7 & 8, 11 & 12, 13 & 14, 15 & 16. The Owners of any of these Lots must contact the Texas Department of Transportation prior to construction of their access from FM 1626.

11. No residence may be occupied until connected to a public or private on-site wastewater system approved by Hays County.
12. Hunting of any type and discharge of firearms is expressly forbidden.
13. Mineral exploration, mineral production, and/or mining operations of any sort are expressly forbidden.
14. These covenants shall run with the land and be binding on all parties who now own or hereafter acquire any tract in Southern Woods subdivision.
15. An Open Drainage Ditch Easement has been granted to the Homeowners' Association of Southern Woods, Inc., a Texas Non-Profit Corporation, across or upon lots 6,7,8,9,25,26,27,28,29 and 30. The A.C.C. is empowered, on behalf of the Homeowners' Association of Southern Woods, Inc., to release any such Open Drainage Ditch Easement in the event that the A.C.C. determines, in its sole discretion, that sitework approved by the A.C.C. and performed by the owner of any of lots 6,7,8,9,25,26,27,28,29 and 30 has removed the necessity for such easement across any such lot.

### ARTICLE III THE ASSOCIATION

1. The Association is a non-profit corporation created for the purposes, charged with the duties, and vested with the powers prescribed by law and set forth in its Articles and Bylaws. Neither the Articles nor the Bylaws shall for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.
2. All Owners of lots within the Property shall automatically be members of the Association; provided, however, that no person shall be a member merely by reason of ownership of any easement upon or across any portion of the Property or by reason of Ownership of any mortgage upon or against all or any portion of the Property. Membership in the Association may not be severed from ownership of a Lot or Lot(s), or in any way transferred, pledged, mortgaged or alienated, except in connection with any transfer of fee simple title to a lot or lots within the Property, and then only to the transferee of such fee simple title. Any attempt to make a prohibited severance, transfer, pledge or alienation shall be void. If there is more than one owner of a lot, then such Owners shall designate one of their number as the member of the Association, which designation shall be made in writing to the Board. After an Owner is so designated, the Board shall have the right to rely on such designation until a written notice signed by a majority of such Owners, revoking such appointment, is received by the Board. In the event that such Owners are unable to agree upon one of their number to be designated as the member of the Association, then none of such owners shall have any vote, fractional or otherwise, in the Association.
3. Any books, records, financial statements and budgets maintained by the Association and relating to the Property shall be made available for inspection by Owners during normal business hours.

4. The initial Board of the Association shall be James A. Banowski, James G. Graham, Charles McAden. Such Board shall serve until the first Board is elected by the Members. The actual date of the election of the first Board by the Members is sometimes referred to herein as the "Election Date". After the Election Date, elections shall be held as set forth in the Bylaws. The Board shall also meet as set forth in the Bylaws. Three members of the Board shall serve as the Architectural Control Committee.
5. Each member of the Association, including Declarant, shall have one vote for each lot owned by such owner within the Property. Any Owner may give a revocable written proxy to any person authorizing such person to cast the owner's votes on any matter to be voted on by Members of the Association. Such written proxy must be in such form as prescribed by the Bylaws and shall not be valid unless filed with the secretary of the Board, in the manner required by the Bylaws. In no event shall such a proxy be valid for a period greater than eleven (11) months.
6. There shall be an annual meeting of the Members of the Association at such reasonable place and time as may be designated in the Bylaws. No notice need be given of any annual meeting held at the time and place specified in the Bylaws, but the Board shall have the power to designate a different time and place for any annual meeting and to call a meeting of the members for any other purpose. In the case of such designation, written notice of the meeting shall be delivered to each Member not less than ten (10) nor more than fifty (50) days prior to the date fixed for this meeting.
7. The presence at any meeting, in person or by proxy, of Members entitled to vote a majority of the total votes outstanding and not suspended, shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Members present, either in person or by proxy, may adjourn the meeting to a time not less than 24 hours nor more than 30 days from the time set for the original meeting, at which adjourned meeting the quorum requirement shall be waived. Action may then be taken by a vote of a majority of the votes present at the adjourned meeting.
8. Subject to and in accordance with this declaration, the Association, acting through the Board, and its officers shall have and perform each of the following duties:
  - (a) To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to any property owned by the Association;
  - (b) To collect assessments, to administer the Maintenance Fund to provide for the maintenance, repair, preservation and protection of all Property owned and held by the Association;
  - (c) To obtain and maintain in effect policies of insurance adequate, in the opinion of the Board, in kind and amount to carry out the functions of the Association;
  - (d) To make, establish and promulgate, amend, repeal and reenact rules and regulations pertaining to the use, occupancy and improvement of the Property, so long as such rules and regulations are not in conflict with this Declaration;
  - (e) To enforce on its own behalf and on behalf of all owners, this declaration, as a beneficiary of such covenants, conditions and restrictions and

as assignee of Declarant, and to perform all other acts as may be reasonably necessary to enforce any of the provisions of this Declaration. The Board shall be authorized to institute litigation, settle claims, enforce liens and take all such action as it may deem necessary or expedient to enforce the provisions of this Declaration;

(f) In general, to carry on any other business in connection with the foregoing and to have and exercise all the powers conferred by the laws of the State of Texas upon corporations formed under the Texas Non-Profit Corporation Act, and to do any and all things set forth above to the same extent as natural persons might or could do those things.

(g) To levy assessments as provided in Article IV, to provide for the repair, maintenance, and upkeep of Property owned by the Board, and improvements thereon, and to carry out any of the other powers or duties granted to the Association in this declaration or in its Articles and Bylaws.

(h) To indemnify Declarant or any successor of Declarant, and any person who was or is a party, or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer, committee member, employee, servant, or agent of the Association, or as a result of any act performed pursuant to this Declaration. such indemnification shall indemnify and hold such persons harmless against all expenses, including attorney's fees, judgements, fines, and amounts paid in settlement, actually and reasonably incurred in connection with such action, suit or proceeding, if it is found and determined by the Board or a court that

(i) he or she acted in good faith in a manner reasonably calculated to be in the best interest of the Association, or (ii) he or she had no reasonable cause to believe his or her conduct was unlawful.

9. Items presented to the Board shall be decided by a majority vote of the members of the Board present.

10. Each member of the Board shall hold such position until his or her term has expired, and additionally until his or her successor has been duly elected and qualified, or until he or she has resigned or been removed from such position.

11. The initial Board shall serve until the earlier of the (i) the date that Declarant no longer owns an interest in any lot, or (ii) December 31, 1997. After such time, the members of the association shall elect the members of the Board by a majority vote at annual meetings of the Members of the Association, as specified in the Bylaws.

#### ARTICLE IV MAINTENANCE FUND

1. Each Owner shall contribute to the Maintenance Fund a pro rata portion of the general annual maintenance and administrative expenses of the Association, to be applied toward the expenses and administration of the Association. Each Owner's pro rata portion shall equal a fraction, the numerator of which is the number of Lots owned by such

Owner and the denominator of which is the total number of lots located within the Property. The maintenance and administrative expense charges shall be assessed to the Owners in the manner hereinafter set forth. No Owner or lot is or shall be exempt from such obligation.

2. Upon formation of the Association, the initial Board shall meet and establish a budget for the operation and maintenance of the Association for that portion of the fiscal year then remaining, which budget shall set forth the Board's reasonable estimate of all expenses. The budget shall contain a reasonable allowance for contingencies and reserves for maintenance, repairs and replacements. After the adoption of this initial budget, the Board shall meet in the last quarter of each fiscal year to establish such a budget for the following fiscal year. Copies of each budget shall be maintained by the Association and made available for inspection by Owners. After each budget is adopted by the Board, the Board shall determine the maintenance and administrative expense charge allocable to each Owner, such allocation to be made based upon the Lots owned by each owner within the Property as described above. Each owner shall be obligated to pay quarterly, in advance, One-fourth (1/4) of the portion of the yearly maintenance and administrative expense charge so allocated to such Owner.

3. If the Board at any time, or from time to time, determines that the maintenance and administrative expense charge assessed for any period is insufficient to provide for the continued operation of the Association and the maintenance of Association property, then the Board shall have the authority to levy such special assessments as it shall deem necessary to provide for the continued maintenance, operation of the Association and maintenance of Association Property. Without limiting the generality of the foregoing, special assessments may be made because of casualty, condemnation or other loss or to make up for any deficiencies caused by non-payment of maintenance and administrative expense charges by Owners. Prior to the Election Date, special assessments may be made by the Board. After the Election Date, no special assessments shall be effective unless approved by at least a majority of the votes of the Members in the Association.

4. One-fourth (1/4) of the maintenance and administrative expense charge assessed against each Owner shall be due and payable in advance on the first day of the first month of each quarter of the new fiscal year, for which the maintenance and administrative expense charge in question has been assessed. Any amount not paid by the 30th day of the first month of any quarter shall be deemed delinquent and shall bear interest at the rate of 18% per annum thereafter until paid. To secure payment of the maintenance and administrative expense charges, and any other debt or obligation owed by the Owner to the Association, vendor's lien and superior title to each lot shall be, and hereby is, retained and reserved by and in favor of the Association, which vendor's lien and superior title shall be enforceable through appropriate judicial proceedings by the Association on the defaulting Owner's Lot in like manner as a mortgage on real property upon the recording of a notice of claim thereof. In any such foreclosure, the Owner shall be required to pay the cost and expenses of such foreclosure proceedings, the cost and expenses for filing notices and all reasonable attorney's fees. The Owner shall also be required to pay to the Association a reasonable rental for the Lot during the period of foreclosure and the Association shall be entitled to have a receiver appointed to collect the same. The vendor's lien and superior

title herein retained and reserved shall be subordinate in all respects to any Mortgage recorded prior to the time that any delinquent payments were due. Sale or transfer of any lot shall not affect the vendor's lien and superior title herein reserved and retained; provided however, that the sale or transfer of any lot pursuant to a foreclosure sale under any Mortgage, or the acceptance by any mortgagee of a deed in lieu of foreclosure thereon, shall extinguish the maintenance and administrative expense charge payments thereof due and owing prior to such sale or transfer and the vendor's lien and superior title securing the same. The maintenance and administrative expense charge shall also be the personal obligation of each Owner, and no sale or transfer shall relieve such Owner from liability for delinquent maintenance and administrative expense charges previously assessed, nor shall any such sale or transfer relieve the subsequent Owner from his obligation for the payment of future assessments. In addition to the vendor's lien and superior title herein reserved and retained, there is also hereby placed upon each lot within the Property a lien to secure the payment of the maintenance and administrative expense charge. In the event of non-payment by any Owner of such Owner's portion of the maintenance and administrative expense charge, the Association may (except in the situation regarding Mortgagees as set forth above in this paragraph), upon ten (10) days prior written notice to the non-paying Owner, pursue any remedy available at law or in equity in addition to or in lieu of the remedies set forth above.

5. Maintenance and administrative expense charges collected by the Association shall be paid into the Maintenance Fund to be held for the use and benefit, directly or indirectly, of the Association, and to enable the Association to carry out its duties and obligations as set forth hereunder and in the Articles and Bylaws of the Association.

#### ARTICLE V INSURANCE

Each Owner shall be responsible, at such Owner's sole cost and expense, for insuring his or her Lot, and all of the improvements, fixtures and other property located thereon, such property not being covered by any policy or policies to be purchased by the Association.

#### ARTICLE VI AMENDMENTS TO THE DECLARATION

1. The provisions of this declaration may be amended at a meeting of Owners if such amendment is approved by Owners holding at least sixty-seven percent (67%) of the total Lots located within the Property. All amendments hereto shall be made and effectuated subject to the following provisions:

- (a) Written or printed notice stating the place, date and time of the meeting and setting forth the proposed amendment shall be delivered to each Owner not less than ten (10) days before the date of such meeting.
- (b) The proposed amendment must be adopted upon a favorable vote of Owners holding and owning at least sixty-seven percent (67%) of the number of Lots located within the Property, which votes may be cast in person or by proxy.

- (c) The amendment must be executed and verified by the President or Vice-President of the Association and by the Secretary of the Association, and shall include a statement setting forth (i) the date of the meeting at which the amendment was adopted; (ii) that a quorum was present at such meeting; and (iii) that the amendment was approved by Owners owning and holding at least sixty-seven percent (67%) of the total number of lots located within the Property.
- (d) The amendment must be approved in writing by at least fifty-one percent (51%) of those persons or entities holding mortgages representing first liens upon and against Lots within the Property.
- (e) The amendment shall be recorded as an amendment to this declaration in the Real Property Records of Hays County, Texas.
- (f) Notwithstanding anything contained herein to the contrary, an amendment may be approved without a meeting if a unanimous consent is executed in writing, setting forth the proposed amendment, so long as it is signed by Owners representing all of the Lots within the Property. In such event, the amendment shall include a statement that such amendment was adopted by consent in writing by Owners owning all of the Lots within the Property.

#### ARTICLE VII MISCELLANEOUS

1. In the event of the invalidity, partial invalidity or unenforceability of any provision of this declaration, such provision shall be deemed stricken from this declaration and the remainder of this declaration shall remain in full force and effect.
2. The Board, or any Owner, shall be entitled to enforce any of the terms and provisions of this declaration by an action at law or in equity. Failure by the Board or any Owner to so enforce the terms hereof shall not be deemed a waiver of any breach or failure to adhere to any of the terms and provisions of this declaration, and particularly shall not be deemed to be a waiver of any subsequent or further breach or failure to adhere to the terms of this declaration.
3. The terms and provisions of this declaration shall be deemed to be covenants running with the Property and shall be binding upon Declarant and the Owners, and their heirs, legal representatives, successors and assigns.
4. Whenever the context of this declaration so requires, the singular shall include the plural, and plural shall include the singular, and any gender shall include all other genders.
5. If any parties hereto, or their heirs or assigns, shall violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said subdivision, or any committee as provided herein or hereafter, to prosecute any proceedings at law or in equity against the person violating or attempting to

violate any such covenant, and either to prevent him or them from so doing or to recover damages or other obligations for such violation, including injunctive relief.
